

FEDERAL FINANCING BANK

PRESS RELEASES

FEDERAL FINANCING BANK

Gary H. Burner, Chief Financial Officer, Federal Financing Bank (FFB) announced the following activity for the month of July 2013.

FFB holdings of obligations issued, sold or guaranteed by other Federal agencies totaled \$72.9 billion on July 31, 2013, posting an increase of \$953.9 million from the level on June 30, 2013. This net change was the result of an increase in holdings of agency debt of \$0.1 million and an increase in net holdings of government-guaranteed loans of \$953.8 million. The FFB made 126 disbursements and received one prepayment in the month of July. The FFB also reset the interest rate on floating-rate notes for one loan issued by the U.S. Postal Service, one loan guaranteed by the Department of Education, and 21 loans issued by the Hope for Homeowners program. In addition, the FFB re-priced and extended the maturities on 451 loans guaranteed by the Rural Utilities Service ("RUS").

Attached to this release are tables presenting FFB July loan activity and FFB holdings as of July 31, 2013.
