

# FEDERAL FINANCING BANK

## PRESS RELEASES

### FEDERAL FINANCING BANK

Gary H. Burner, Chief Financial Officer, Federal Financing Bank (FFB) announced the following activity for the month of July 2015.

FFB holdings of obligations issued, sold or guaranteed by other Federal agencies totaled \$74.6 billion on July 31, 2015, posting a decrease of \$803 million from the level on June 30, 2015. This net change was the result of a decrease in net holdings of government-guaranteed loans of \$803 million. The FFB made 78 disbursements and received 85 prepayments in the month of July. The FFB also reset the interest rate on floating-rate notes for 29 loans issued by the Hope for Homeowners program.

Attached to this release are tables presenting FFB July loan activity and FFB holdings as of July 31, 2015.
