

# FEDERAL FINANCING BANK

## PRESS RELEASES

### FEDERAL FINANCING BANK

Gary H. Burner, Chief Financial Officer, Federal Financing Bank (FFB) announced the following activity for the month of March 2015.

FFB holdings of obligations issued, sold or guaranteed by other Federal agencies totaled \$73.4 billion on March 31, 2015, posting a decrease of \$299.3 million from the level on February 28, 2015. This change was the result of a decrease in net holdings of government-guaranteed loans of \$235.3 million and agency assets of \$64.0 million. The FFB made 84 disbursements and received 46 prepayments in the month of March. The FFB also reset the interest rate for two loans issued by the United States Postal Service. In addition, the FFB extended the maturities on 592 loans guaranteed by the Rural Utilities Service.

Attached to this release are tables presenting FFB March loan activity and FFB holdings as of March 31, 2015
